REYNARD WISTARA HUGA WIJAYA

reynardwijaya710@gmail.com | +62 82141305427 | [LinkedIn](#) | [Portfolio](#)

Fifth-semester Computer Science student with experience as a Teaching Assistant, Duta BINUSIAN Scholarship awardee, Top 3 Peer Mentor, and organizational leader. Combining strong foundations in web and app development with proven leadership and collaborative teamwork skills. Driven by curiosity and a growth mindset, I am passionate about continuous learning and building impactful, user-focused digital solutions.

EDUCATION

B.Sc. in Computer Science, BINUS University   2023 – 2027 (Expected)

- Current GPA: 3.80 /4.00 (*82 credits*)
- Relevant Courses: Algorithm & Programming, Data Structure, Object Oriented Programming, Computer Network, Software Engineering, Database Technology, AI, Web & App Programming
- Student Activity Transcript (SAT): 287 Points
- Community Service: 70 Hours

WORKING EXPERIENCES

Teaching Assistant, *BINUS University*   Feb 2025 – present

- Responsible for 3 classes (75 students) per semester, delivering lectures and hands-on coding sessions.
- Even Semester 2024: Taught *Data Structures (C Programming)* and *Scientific Computing (Python)*, strengthening students' algorithmic thinking, debugging, and analytical skills.
- Odd Semester 2025: Taught *Database Technology (MySQL)* and *Computational Physics (Anaconda)*, focusing on practical database design, efficient query optimization, and applied computation projects using Python and Anaconda.

Peer Mentor, *BINUS University*   Feb 2025 – Jul 2025

- Mentored 11 Computer Science students through 80+ academic improvement sessions; 8 mentees reported significant improvement and satisfaction.
- Guided mentees in a community service project, enabling +5 additional service hours.
- Conducted tutoring sessions for all Computer Science students prior to midterm and final exams, improving preparedness across multiple courses.

ORGANIZATIONAL EXPERIENCES

Chief Executive Officer, *Bina Nusantara Computer Club (BNCC)*   Sep 2024 – present

- Directed 4 divisions with 20 staff and 45 activists, engaging 205+ active members.
- Executed 7+ strategic programs improving member engagement and technical capabilities.
- Established a new R&D Division focusing on internal development and innovation projects.
- Expanded BNCC's external visibility by increasing social media engagement by 40% and forming 10+ new partnerships.

Freshmen Leader & Partner, *First Year Program BINUS* Aug 2024 – Aug 2025

- As Freshmen Leader, guided and mentored 50 new Computer Science students during university transition.
- Organized orientation and team-building sessions to foster collaboration and adaptation.
- As Freshmen Partner, provided year-long mentorship and academic support for two semesters.
- Led the Friend Project, where 10 freshmen earned 10 additional Community Service Hours through collaborative initiatives.
- Received Appreciation Award as the "Most Outstanding Freshmen Partner: Computer Science" in First Year Program Binusian 28.

HONORS & AWARDS

- ***DUTA BINUSIAN*** *Mentor Scholarship, BINUS University* Jan 2025

Selected as Top 3 students among 200+ participants in the Even Semester of 2025/2026, recognized for top academic excellence, leadership and active community involvement.

SKILLS

- **Technical Skill:** *React.js, Next.js, React Native, Laravel, Python, MySQL, REST API, HTML, CSS, Tailwind*
- **Tools:** *Figma, Git, GitHub, Google Workspace, Microsoft Word, Excel*
- **Certifications: Fundamentals of Deep Learning** *(certificate issued by NVIDIA Deep Learning Institute)*
