Fifth-semester Computer Science student with experience as a Teaching Assistant, Duta BINUSIAN Scholarship awardee, Top 3 peer mentor, and organizational leader. Strong background in programming, mentoring, and leadership with skills in project management, database systems, and web & app development. Result-driven learner with a growth mindset, passionate about continuous learning and leading diverse teams.

EDUCATION

Computer Science, *BINUS University*   2023 – 2027 (Expected)
- Current GPA: 3.80 /4.00 (*82 credits*)
- Relevant Courses: Algorithm & Programming, Data Structure, Object Oriented Programming, Computer Network, Software Engineering, Database Technology, AI, Web & App Programming
- SAT Point/Community Service: 283 Points/70 Hours

WORKING EXPERIENCES

Teaching Assistant, BINUS University   Feb 2025 – present
- Full teaching responsibility for 3 classes (75 students) each semester, delivering lectures and hands-on coding sessions.
- Even Semester 2024: Taught Data Structures (C Programming) and Scientific Computing (Python), strengthening students' algorithmic thinking, debugging skills, and numerical problem-solving.
- Odd Semester 2025: Taught Database Technology (MySQL) and Computational Physics (Anaconda PPE), focusing on practical database design, data analysis, and applied scientific computation.

Mentor, BINUS University   Feb 2025 – Jul 2025
- Mentored 11 students with low academic performance, delivering 80+ sessions in one semester; 8 mentees reported significant improvement and satisfaction.
- Guided mentees in a community service project, enabling +5 additional service hours.
- Conducted tutoring sessions for all Computer Science students prior to midterm and final exams, supporting exam preparedness across multiple courses.

ORGANIZATIONAL EXPERIENCES

Chief Executive Officer, *Bina Nusantara Computer Club (BNCC)*   Sep 2024 – present
- Directed 4 divisions with 20 staff and 45 activists, engaging 205+ active members.
- Initiated and executed 7+ programs covering technical, operational, and HR areas, enhancing member skills and organizational performance.
- Founded a Research & Development division dedicated to internal programming development and long-term innovation.
- Grew BNCC's external visibility by increasing Instagram followers by 30% and securing 10+ strategic partnerships.

HONORS & AWARDS

- ***DUTA BINUSIAN*** *Mentor Scholarship, BINUS University*   Jan 2025
Selected as Top 3 student among 200+ students at BINUS University in Even Semester of 2025/2026, recognized for academic & leadership excellence

SKILLS

- **Technical Skill:** *React Js, Native, Next Js, HTML, CSS, Tailwind, Laravel, Python, MySQL, Figma*
- **Certifications: Fundamentals of Deep Learning** by **NVIDIA** *(certificate issued by NVIDIA Deep Learning Institute)*
